This publication was supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling $8,182,753 with 10 percentage financed with nongovernmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government.
50% of all Family Medicine physicians in Arkansas were trained by REGIONAL CAMPUSES.

UAMS Regional Campuses System in Arkansas exists to EXTEND the RESOURCES of our state’s ONLY Doctor of Medicine Degree.

Began in 1972 with the primary purpose of training Family Medicine Physicians
UAMS Regional Campuses work to recruit, train and place health care professionals and physicians where they are needed throughout the state.

Regional Campuses work to increase the availability of health care in the community, provide consultation and education for area health care professionals, and offer health education to individuals across Arkansas.

UAMS Regional Campuses System in Arkansas exists to extend the resources of our state’s only comprehensive academic health sciences center, the University of Arkansas for Medical Sciences (UAMS), throughout the entire state.

Regional Campus recruiters offer high school and college students a variety of opportunities to advance into a health career.

- High School students – Day in the Life, MASH, CHAMPS and Hands on Health Care.
- College Students – MD Mentor, MCAT review course, mock interviews, resume/personal statement assistance, application review, and job shadowing/volunteer opportunities.
- Professional level – AHEC Scholars
REGIONAL CAMPUS RECRUITER PROGRAMS

FOR JR. HIGH/HIGH SCHOOL STUDENTS:

Health Career Presentations
Presentations on a variety of topics related to healthcare and health careers.

Club Scrub
A series of 3-5 mini presentations and hands-on activities.

A Day in the Life and Hands on Healthcare

CHAMPS/MASH
A one or two-week summer program to learn about health professions, shadow in hospitals and clinics and participate in hands-on activities.

FOR COLLEGE STUDENTS:

+ Student Advising
+ Shadowing Opportunities
+ Group Presentations
+ Mock Interviews
+ MCAT Prep
+ Personal Statement Review
+ MD Mentors

FOR UAMS STUDENTS:

Elective Coursework and experiences, such as AHEC Scholars, designed to enhance the skills and education of current UAMS health professions students committed to serving Arkansas’s rural and underserved populations

*Please note that program availability and age requirements vary depending on location. Contact the recruiter in your area on the back cover for detailed listings in your area.
HEALTH CAREERS PIPELINE

1. HIGH SCHOOL MASH
The summer of 2009, Jared Burks, a rising senior at Manila High School, was accepted into the Jonesboro MASH program at UAMS.

2. COLLEGE Pre-Med Support
After years of hard work and dedication, in 2015, Jared received his letter of acceptance from UAMS and took his oath as a student in the class of 2019 that fall.

3. MEDICAL SCHOOL MASH Assistant
During the summer between his first and second year, Jared returned home to Northeast Arkansas to be the MASH Assistant for the UAMS Northeast program in Jonesboro.

4. RESIDENCY Back Home
Match Day 2019 for UAMS was held March 15 where Jared announced he was doing his residency in Family Practice medicine at UAMS Northeast in Jonesboro.

5. PRACTICING PHYSICIAN Hometown/rural area
Jared is a great example of what the pipeline was intended to do through our Regional Campuses. From MASH to Match, Jared has been plugged in and using all the support that UAMS has offered. After residency, Jared plans to return to his hometown of Manila to practice Family Medicine.
YOUR PATHWAY TO BECOME AN M.D. STARTS HERE.

The COLLEGE OF MEDICINE is the STATE’s ONLY M.D. GRANTING MEDICAL SCHOOL and academic medical center with a rich history of educating and training the state’s physicians.
